

ATTENTION ALL CUSTOMERS OF ARROW LINEN SUPPLY COMPANY, INC.

In our efforts to create a safer and cleaner environment for both our employees and customers as well as to comply with the NYC Clean Act, we have changed our **bar mop** packaging process. As stated by the New York City Council, “the Clean Act...will require industrial laundry plants to meet cleanliness standards when processing linens for restaurants, hospitals, hotels, and other businesses use.” In response, the entire commercial laundry industry has begun processing bar mops using automated bagging machines to ensure that all Clean Act standards are met. Please note that you will continue to receive the same high quality mops as always, the only change is at the packaging level!

If you have any questions regarding this change, please do not hesitate to call us at 516-246-8000 or email us at [Service@arrowlinen.com](mailto:Service@arrowlinen.com).
